ABILITIES

Aethersails
Each time this model Advances, do not make an Advance roll for it. Instead, until the end of the phase, add 6" to the Move characteristic of this model.

TRANSPORT

Raider
This model has a transport capacity of 11 models from the following units: The Visarch, Ynnari Archon, Ynnari Incubi, Ynnari Kabalite Warriors, Ynnari Succubus, Ynnari Wyches, Yvraine.

FACTION RULES

Battle Focus
If your Army Faction is Asuryani, at the start of the battle round, you receive a number of Battle Focus tokens based on the battle size, as shown below:

- Incursion - 2
- Strike Force - 4
- Onslaught - 6

Each time one of the triggers shown in the Agile Manoeuvres section of your codex occurs, you can spend one Battle focus token to enable the relevant eligible unit to perform that Agile Manoeuvre. A unit is eligible to perform an Agile Manoeuvre if it has this ability and has not already performed an Agile Manoeuvre in the same phase. Unless otherwise stated, you cannot trigger the same Agile Manoeuvre more than once per phase. At the end of the battle round, all unspent Battle Focus tokens are lost.

Disparate Paths
When mustering you army, you can include Harlequins units in your army, even though they do not have the Asuryani Faction keyword. Unless otherwise stated, you cannot select Harlequins or Ynnari as your Army Faction.

AUFSTELLUNG

1x Ynnari Raider (Large Flying Base)

Equipped with: Dark Lance, Disintegrator Cannon, Bladevanes

Wargear Options:
- This model can replace its Dark Lance with Disintegrator Cannon.

KEYWORDS: Raider, Aeldari, Dedicated Transport, Fly, Vehicle, Transport, Frame

INVULNERABLE SAVE 6+

CORE RULES

Deadly Demise D3

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

Example: An Impulsor with a unit of Intercessors embarked within it is destroyed by ranged attacks. First, any unresolved attacks made by the attacking unit are resolved. Then the Intercessors make an emergency disembark move. Then the roll is made for the Deadly Demise ability, and on a 6, that ability is resolved. Finally, the Impulsor is removed from the battlefield.

Deep Strike

Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

Firing Deck 11

This ability always takes the form Firing Deck X. In your Shooting phase, each time this TRANSPORT is selected to shoot, if one or more units are embarked within it, resolve the following sequence:

1. Select up to X models embarked within this TRANSPORT (excluding models whose units have already been selected to shoot this phase).
2. For each selected model, select one of its ranged weapons (excluding [ONE SHOT] weapons).
3. Until this TRANSPORT has resolved all of its attacks, it has all of those selected weapons in addition to its other weapons.
4. Until the end of the turn, units embarked within this TRANSPORT are not eligible to shoot.
