WEAPON ABILITIES

Hazardous
Each time a unit is selected to shoot or selected to fight, after that unit has resolved all of its attacks, make a number of hazard rolls (06.03) for that unit equal to the number of [**HAZARDOUS**] weapons you selected in the Select Weapons step.

Pistol
[**PISTOL**] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.

- One or more of its other ranged weapons.

Rapid Fire
This ability always takes the form [**RAPID FIRE** X]. Each time you gather attack dice for a [**RAPID FIRE**] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a [**RAPID FIRE** 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

FACTION RULES

Voice Of Command
If your Army Faction is Astra Militarum, Officer models with this ability can issue Orders. Each Officer's datasheet will specify how many Orders it can issue and which units are eligible to receive those Orders. Each time an Officer model issues an Order, select one of the Orders below, then select one eligible friendly unit within 6" of that Officer model to issue it to. Officer models can issue Orders in your Command phase and at the end of a phase in which they disembarked from a Transport or were set up on the battlefield.

Until the start of your next Command phase, the unit you selected is affected by that Order. Unless otherwise stated, a unit can only be affected by one Order at a time (any Order subsequently issued to that unit replaces the current one). Orders cannot be issued to Battle-shocked units, and if a unit being affected by an Order becomes Battle-shocked, that Order ceases to affect that unit.

Only Astra Militarum models gain the benefit of an Order issued to their unit.

MOVE! MOVE! MOVE!

Add 3" to the Move characteristic of models in this unit.

FIX BAYONETS!

Improve the Weapon Skill characteristic of melee weapons equipped by models in this unit by 1.

TAKE AIM!

Improve the Ballistic Skill characteristic of ranged weapons equipped by models in this unit by 1.

FIRST RANK, FIRE! SECOND RANK, FIRE!

Improve the Attacks characteristic of **Rapid Fire** weapons equipped by models in this unit by 1.

TAKE COVER!

Improve the Save characteristic of models in this unit by 1 (this cannot improve a model's Save to better than 3+).

DUTY AND HONOUR!

Improve the Leadership and Objective Control characteristics of models in this unit by 1.

CORE RULES

Leader
Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
