ABILITIES

CORE - Leader

Might of Titan (Psychic)
Once per battle, at the start of the Fight phase, this model can use this ability. If it does, until the end of the phase, add 3 to the Attacks and Strength characteristics of melee weapons equipped by this model.

Warrior Strategist
Once per battle round, one unit from your army with this ability can use it when its unit is targeted with a Stratagem. If it does, reduce the CP cost of that use of that Stratagem by 1CP.

Leader
This model can be attached to the following units:

- Brotherhood Terminator Squad
- Paladin Squad

WEAPON ABILITIES

Ignores Cover
Each time an attack is made with an [IGNORES COVER] weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

Precision
While resolving attacks made with one or more [PRECISION] weapons, at the start of the Allocation Order step (05.03), if the target unit contains one or more CHARACTER models visible to one or more of the attacking models, the active player can select one allocation group that contains one of those visible CHARACTER models. If they do, until those attacks are resolved, or until that CHARACTER group is destroyed (whichever happens first), that CHARACTER group is the current allocation group.

Psychic
Each time an attack is made with a [PSYCHIC] weapon, you can ignore any or all modifiers to that attack's BS or WS characteristic and any or all modifiers to the hit roll. Attacks made with [PSYCHIC] weapons are known as psychic attacks (this can be important for the triggering of other rules).

AUFSTELLUNG

1x Grand Master (40mm)

Equipped with: Incinerator, Psilencer, Psycannon, Storm bolter, Nemesis force weapon

Wargear Options:

- This model can replace its Storm bolter with Incinerator, Psycannon or Psilencer.

KEYWORDS: Infantry, Character, Grenades, Psyker, Terminator, Grand Master, Imperium, Leader
FACTION KEYWORDS: Grey Knights

GRAND MASTER

100 PTS

Rapid Fire
This ability always takes the form [**RAPID FIRE** X]. Each time you gather attack dice for a [**RAPID FIRE**] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a [**RAPID FIRE** 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

Sustained Hits
This ability always takes the form [**SUSTAINED HITS** X]. Each time an attack made with a [**SUSTAINED HITS**] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

*Example: An attack made with a [**SUSTAINED HITS** 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [**SUSTAINED HITS** 2] ability).*

Torrent
Each time an attack is made with a [**TORRENT**] weapon, that attack automatically hits the target.

FACTION RULES

Gate of Infinity
If your Army Faction is Grey Knights, at the end of your opponent's Fight phase, you can select a number of units from your army that are on the battlefield (excluding units that are within Engagement Range of one or more enemy units), providing every model in those units has this ability. The maximum number of units you can select depends on the battle size, as follows:

Incursion - Up to 2 units

Strike Force - Up to 3 units

Onslaught - Up to 4 units

- Place those units in strategic reserves.

- Those units can make an ingress move in your next Movement phase (including in your first turn)

CORE RULES

Deep Strike
Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

Leader
Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
