Omnissian axe	Melee	3	4+	6	-2	2
Servo arm EXTRA ATTACKS	Melee	1	4+	6	-2	2

ABILITIES

CORE - Leader

Baffling Data Screed
In your Shooting phase, when this unit is selected to shoot, if this unit is not battle-shocked, you can use this ability. If you do, roll one D6:

- On a 2+, select one enemy VEHICLE unit within 12" of this unit. That enemy unit makes a battle-shock roll, with -1 to that battle-shock roll. A unit cannot be selected for this ability more than once per turn.

- Or: On 2+, those ranged attacks do not prevent this unit from being hidden.

Enginseer
While this model is within 3" of one or more friendly Adeptus Mechanicus Vehicle units, unless it is leading a unit, this model has the Lone Operative ability.

Omnissiah's Blessing
In your Command phase, select one friendly Adeptus Mechanicus model within 3" of this model. That model regains up to D3 lost wounds and, if it is a Vehicle model, until the start of your next Command phase, that model has the Feel No Pain 5+ ability. Each model can only be selected for this ability once per Command phase

Vengeance for the Omnissiah
If a friendly Adeptus Mechanicus Vehicle model is destroyed within 12" of this model, until the end of the battle, this model's Omnissian axe has an Attacks characteristic of 6.

Leader
This model can be attached to the following units: CORPUSCARII ELECTRO-PRIESTS, FULGURITE ELECTRO-PRIESTS, KATAPHRON BREACHERS, KATAPHRON DESTROYERS, SECUTARII HOPLITES, SECUTARII PELTASTS, SKITARII RANGERS, SKITARII VANGUARD

WEAPON ABILITIES

Devastating Wounds
Each time an attack made with a [**DEVASTATING WOUNDS**] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by [**DEVASTATING WOUNDS**] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a [**DEVASTATING WOUNDS**] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

Extra Attacks
Each time a unit containing one or more models with an [**EXTRA ATTACKS**] weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's [**EXTRA ATTACKS**] weapons.

- One of that model's other melee weapons, if possible.

Pistol
[**PISTOL**] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.

- One or more of its other ranged weapons.

FACTION RULES

Doctrina Imperatives
At the start of the battle round, you can select one of the Doctrina Imperatives below. Until the end of the battle round, that Doctrina Imperative is active for your army, and all units from your army that have the Doctrina Imperatives ability gain the relevant abilities shown below.

PROTECTOR IMPERATIVE

- Ranged weapons equipped by models in this unit have the [HEAVY] ability.
- Improve the Ballistic Skill characteristic of ranged weapons equipped by models in this unit by 1.
- Each time a melee attack targets this unit, if this unit has the Battleline keyword and/or it is within 6" of one or more friendly Adeptus Mechanicus Battleline units, subtract 1 from the Hit roll.

CONQUEROR IMPERATIVE

- Ranged weapons equipped by models in this unit have the [ASSAULT] ability.
- Improve the Weapon Skill characteristic of melee weapons equipped by models in this unit by 1.
- Each time a model in this unit makes an attack, if this unit has the Battleline keyword and/or it is within 6" of one or more friendly Adeptus Mechanicus Battleline units, improve the Armour Penetration characteristic of that attack by 1.

CORE RULES

Leader
Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
