BEWEGUNG

Support Artillery

At the start of the Declare Battle Formations step, this model can join one Guardian Defenders unit from your army (a unit cannot have more than one Support Weapon model joined to it). This model then counts as part of that Guardians unit for the rest of the battle, and that unit's Starting Strength is increased accordingly. This model, and any unit it is joined to, cannot embark within a Transport.

Sonic Destruction

In your Shooting phase, each time this model makes an attack with its Vibro Cannon that targets an enemy unit, improve the Strength, Armour Penetration and Damage characteristics of that attack by 1 for each other friendly Vibro Cannon Platform model that made one or more attacks with its Vibro Cannon that also targeted that enemy unit this phase.
