Transport

This model has a transport capacity of 6 LEAGUES OF VOTANN INFANTRY models. It cannot transport ARTILLERY, EXOARMOUR, EXOFRAME or IRONKIN STEELJACKS models.

At the start of the Declare Battle Formations step, you can select one Hearthkyn Warriors unit from your army that has not been split. If you do, that unit is split into two units, each containing as equal a number of models as possible (when splitting a unit in this way, make a note of which models form each of the two new units). One of these units must start the battle embarked within this Transport; the other can start the battle embarked within another Transport, or it can be deployed as a separate unit.
