Repair Barge

Once per turn, just after an enemy unit finishes making its attacks, if one or more friendly NECRON WARRIORS units within 3" of this model lost one or more wounds as a result of those attacks, this model can use this ability. If it does, select one of those NECRON WARRIORS units; that unit's Reanimation Protocols activate. The same NECRON WARRIORS unit cannot be selected for this ability more than once per turn.
