VERTEIDIGUNG

IMMER / EINMALIG

Implacable Resilience

Each time an attack is allocated to this model, subtract 1 from that attack's Damage characteristic.

My Will Be Done

Once per battle round, one unit from your army with this ability can use it when its unit is targeted with a Stratagem. If it does, reduce the CP cost of that use of that Stratagem by 1CP.

Resurrection orb

(Once per battle, per unit) At the end of any phase, you can use this ability. If you do, this unit resurrects:

- When a unit resurrects, that unit's Reanimation Protocols activate, but that unit heals D6 wounds (instead of D3 wounds). You cannot resurrect more than one unit per turn.
