1 KOMMANDO

Fortification

While an enemy unit is only within Engagement Range of one or more Fortifications from your army:

- That unit can still be selected as the target of ranged attacks, but each time such an attack is made, unless it is made with a Pistol, subtract 1 from the Hit roll.
- Models in that unit do not need to take Desperate Escape tests due to Falling Back while Battle-shocked, except for those that will move over enemy models when doing so.

2 BEWEGUNG

Deployment

Both Wraithbone Arches of this Fortification must be set up with their upper points no more than 1" apart and with both statues facing in fully opposite directions so that an arch is formed, as shown on the right. Both arches are then treated as a single model for all rules purposes.

Webway Strike

Each time a friendly AELDARI unit arrives from Strategic Reserves, you can choose to set it up anywhere on the battlefield that is wholly within 6" of this FORTIFICATION. If you do, that AELDARI unit can be set up within 9" of enemy models, and can be set up within Engagement Range of enemy models. If an AELDARI unit is set up within Engagement Range of any enemy models in this way, it counts as having made a Charge move this turn and is eligible to fight this turn.

3 BESCHUSS

Arcane Cover

Each time a ranged attack is allocated to a model, if that model is not fully visible to every model in the attacking unit because of this Fortification, that model has the Benefit of Cover against that attack.
