VERTEIDIGUNG

Court of the Archon

While a Character model is leading a unit that contains one or more Lhamaeen, Medusae, Sslyth and/or Ur-ghul models, that Character model has the Feel No Pain 4+ ability.

IMMER / EINMALIG

Court of the Archon [Legends]

This unit can be led by an Archon. Alternatively, in the Declare Battle Formations step, this unit can join one Kabalite Warriors or Hand of the Archon unit from your army that is being led by an Archon (a unit cannot have more than one Court of the Archon unit joined to it). If it does, until the end of the battle, every model in this unit counts as part of that Kabalite Warriors or Hand of the Archon unit, and its Starting Strength is increased accordingly.
