KOMMANDO

Claimed for the Cult

At the start of your Command phase, roll one D6 for each objective marker that you control that has one or more units from your army with this ability within range of it. If one or more of the results is a 4+, you gain 1CP.

Cult Icon

In your Command phase, you can return up to D3 destroyed models to the bearer's unit. If the bearer's unit is within range of an objective marker you control, you can return up to 3 destroyed models to that unit instead. This ability cannot be used to return destroyed CHARACTER models in Attached units and any [ONE SHOT] weapons equipped with by returned models that were shot before they were destroyed are still considered to have been shot.
