Death Befitting An Officer

In your opponent's Shooting phase, when this unit is destroyed, before this unit's deadly demise roll, roll one D6:

- On a 2+, do not remove this unit from the battlefield. After the attacking unit has shot, this unit can shoot using normal shooting, but while doing so this unit can only target that enemy unit. When this unit has shot, or at the end of the phase (whichever comes first), resolve this unit's deadly demise roll, then this unit is removed from the battlefield.
