1KOMMANDO

Support Vehicle

In your Command phase, select one friendly ASTRA MILITARUM VEHICLE model within 3" of this model. That VEHICLE model regains up to D3 lost wounds and, until the start of your next Command phase, each time that VEHICLE model makes an attack, re-roll a Hit roll of 1. The same VEHICLE model cannot be selected for both this ability and the REGIMENTAL ENGINEER's Omnissiah's Blessing ability in the same turn, and each model can only be selected for this ability once per Command phase.
