Drain Life

At the end of the Fight phase, roll one D6 for each enemy unit within 6" of this model: on a 4+, that enemy unit suffers D3 mortal wounds.

VERTEIDIGUNG

Distortion Fields (Aura)

While an enemy unit is within 6" of this unit, it is unravelling. While an enemy unit is unravelling, each time an attack targets that unit, improve the Armour Penetration characteristic of that attack by 1.

At the start of each phase, for each Necrons Monster unit from your army, that unit can suffer 3 mortal wounds. If it does, until the end of the phase, the range of that unit's Distortion Fields Aura ability is increased to 9".

IMMER / EINMALIG

Enslaved Star God

This model cannot be your WARLORD.

Necrodermis

Each time an attack is allocated to this model, subtract 1 from the Damage characteristic of that attack.
