Animus Damper

Once per turn, at the start of your opponent's Shooting phase, select one enemy Vehicle unit visible to the bearer. That unit must take a Leadership test. Until the end of the phase, each time a model in that unit makes an attack, subtract 1 from the Hit roll and, if that Leadership test was failed, subtract 1 from the Wound roll as well.

Matter Absorption

At the start of your Shooting phase, select one enemy VEHICLE unit within 12" of this model and roll one D6: on a 2+, that enemy unit suffers D3 mortal wounds and this model regains up to that many lost wounds.
