VERTEIDIGUNG

Distortion Fields (Aura)

While an enemy unit is within 6" of this unit, it is unravelling. While an enemy unit is unravelling, each time an attack targets that unit, improve the Armour Penetration characteristic of that attack by 1.

At the start of each phase, for each Necrons Monster unit from your army, that unit can suffer 3 mortal wounds. If it does, until the end of the phase, the range of that unit's Distortion Fields Aura ability is increased to 9".

Gloom Prism (Aura)

While a friendly Necrons unit is within 6" of the bearer, models in that unit have the Feel No Pain 4+ ability against Psychic Attacks.

Snaking Ambush

You can target this unit with the Heroic Intervention Stratagem for 0CP, and can do so even if you have already used that Stratagem on a different unit this phase.
