1KOMMANDO

Comms Antenna

In your Command phase, if one or more Character models are embarked within this Fortification, roll one D6: on a 5+, you gain 1CP

Fortification

While an enemy unit is only within Engagement Range of one or more Fortifications from your army:

- That unit can still be selected as the target of ranged attacks, but each time such an attack is made, unless it is made with a Pistol, subtract 1 from the Hit roll.
- Models in that unit do not need to take Desperate Escape tests due to Falling Back while Battle-shocked, except for those that will move over enemy models when doing so.
