ABILITIES

CORE - Leader

Skilled Riders

This unit has Mobile.

Spear of Chogoris

- This unit's ranged attacks have [Assault].
- When this unit is selected to make an advance move, that advance move does not prevent this unit from being eligible to declare a charge.
- If the assault doctrine is active for this unit, this unit has +1 to advance rolls and charge rolls.

Leader

This model can be attached to the following units: OUTRIDER SQUAD

KEYWORDS: Mounted, Character, Epic Hero, Imperium, Grenades, Captain, Suboden Khan, Leader

FACTION: Adeptus Astartes, White Scars

AUFSTELLUNG

1x Suboden Khan (90x52.5mm Oval Base)

Equipped with: Heavy Bolt Pistol, Onslaught Gatling Cannon, Power Sword, Stormtooth

Wargear Options:

- This model can be equipped with 1x Warlord.

WEAPON RULES

Anti

This ability always takes the form **[ANTI-X Y+]**. Each time an attack is made with an **[ANTI]** weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

*Example: An attack made with an **[ANTI-VEHICLE 4+]** weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an **[ANTI-PSYKER 2+]** weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.*

Devastating Wounds

Each time an attack made with a **[DEVASTATING WOUNDS]** weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by **[DEVASTATING WOUNDS]** weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a **[DEVASTATING WOUNDS]** weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

Extra Attacks

Each time a unit containing one or more models with an **[EXTRA ATTACKS]** weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's **[EXTRA ATTACKS]** weapons.
- One of that model's other melee weapons, if possible.

Lance

Each time an attack is made with a **[LANCE]** weapon, if the attacking model's unit made a charge move this turn, add 1 to the wound roll.

Sustained Hits

This ability always takes the form [SUSTAINED HITS X]. Each time an attack made with a [SUSTAINED HITS] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).

RULES

Close-quarters

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

Combat Doctrines

At the start of your Command phase, you can select one Combat Doctrine listed below. If you do, that Combat Doctrine is active for friendly ADEPTUS ASTARTES units with this ability until the start of your next Command Phase

Assault Doctrine

When this unit is selected to make an Advance move, that Advance move does not prevent this unit from being eligible to declare a charge.

Devastator Doctrine

This unit's ranged attacks have [ASSAULT]

Tactical Doctrine

When this unit is selected to make a Fall-back move, that Fall-back move does not prevent this unit from being eligible to shoot and eligible to declare a charge.

Unless otherwise stated.

- You can only select each Combat Doctrine once per battle
- Only one Combat Doctrine can be active for each unit. If a rule make a Combat Doctrine active for a unit, any Combat Doctrine previously active for that unit is no longer active for that unit.

Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.

Transhuman Strategist

At the start of the battle round, if a model with this ability is your WARLORD, gain 1 CP
