MELEE WEAPONS

WEAPON	RANGE	A	WS	S	AP	D
Revenant feet	Melee	8	3+	10	-1	3

ABILITIES

RULES - Battle Focus, Deadly Demise 2D6

Damaged: 1-10 Wounds Remaining

While this model has 1-10 wounds remaining, subtract 8 from this model's Objective Control characteristic and each time this model makes an attack, subtract 1 from the Hit roll.

Invulnerable Save (4+*)

This model has a 4+ invulnerable save against ranged attacks.

Revenant Jet Pack

Each time this model Advances, do not make an Advance roll for it. Instead, until the end of the phase, add 8" to the Move characteristic of this model.

Titanic Advance

Each time this model makes a Normal, Advance or Fall Back move, it can move over models (excluding Titanic models) and terrain features that are 4" or less in height as if they were not there.

Towering Wraith Construct

Each time you target this model with a Stratagem, you must spend twice that Stratagem's stated CP cost to do so.

WEAPON RULES

Anti

This ability always takes the form [ANTI-X Y+]. Each time an attack is made with an [ANTI] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

Example: An attack made with an [ANTI-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [ANTI-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.

Assault

Units containing one or more models with an [ASSAULT] weapon can shoot using **assault** shooting (10.05).

Blast

Each time you gather attack dice for a [BLAST] weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form [BLAST X], each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

Example: If a [BLAST 2] weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).

Torrent

Each time an attack is made with a [TORRENT] weapon, that attack automatically hits the target.
