Taser goad SUSTAINED HITS 2	Melee	3	4+	6	0	1

ABILITIES

RULES - Deep Strike, Doctrina Imperatives

Ride the Thermals

In your Shooting phase, after this unit has shot, if it is not within Engagement Range of one or more enemy units, it can do one of the following:

- Make a Normal move of up to 6".
 - Make a Normal move of up to 12", provided every model in this unit ends that move wholly within 6" of one or more friendly Adeptus Mechanicus Battleline units.
- In either case, if it does, until the end of the turn, this unit is not eligible to declare a charge.

WEAPON RULES

Pistol

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

Sustained Hits

This ability always takes the form [SUSTAINED HITS X]. Each time an attack made with a [SUSTAINED HITS] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).
