⚔ MELEE WEAPONS

ABILITIES

CORE - Leader

RULES - Doctrina Imperatives, Feel No Pain 4+, Leader

Baffling Data Screenshot

In your Shooting phase, when this unit is selected to shoot, if this unit is not battle-shocked, you can use this ability. If you do, roll one D6:

- On a 2+, select one enemy VEHICLE unit within 12" of this unit. That enemy unit makes a battle-shock roll, with -1 to that battle-shock roll. A unit cannot be selected for this ability more than once per turn.
- Or: On 2+, those ranged attacks do not prevent this unit from being hidden.

WEAPON	RANGE	A	WS	S	AP	D
Omniussian axe	Melee	4	3+	6	-2	2

Data-spike

At the start of the Fight phase, you can select one enemy Vehicle unit within Engagement Range of this model's unit and roll one D6: on a 4+, that enemy unit suffers D6 mortal wounds and, until the end of the phase, the Weapon Skill characteristic of melee weapons equipped by that enemy unit is worsened by 1.

Lord of the Machine Cult

While this model is leading a unit, models in that unit have the Feel No Pain 5+ ability. If that unit has the Electro-Priests keyword, models in that unit have the Feel No Pain 4+ ability instead

Leader

This model can be attached to the following units:
CORPUSCARI ELECTRO-PRIESTS, FULGURITE ELECTRO-PRIESTS, HASTARII EXTERMINATORS, HASTARII FUSILIERS, KATAPHRON BREACHERS, KATAPHRON DESTROYERS, SECUTARII HOPLITES, SECUTARII PELTASTS, SERVITOR BATTLECLADE, SKITARII RANGERS, SKITARII VANGUARD

WEAPON RULES

Devastating Wounds

Each time an attack made with a **[DEVASTATING WOUNDS]** weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by **[DEVASTATING WOUNDS]** weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a **[DEVASTATING WOUNDS]** weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

Ignores Cover

Each time an attack is made with an **[IGNORES COVER]** weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

Pistol

[PISTOL] and **[CLOSE-QUARTERS]** are identical for all rules purposes.

Units containing one or more models with a **[CLOSE-QUARTERS]** weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its **[CLOSE-QUARTERS]** weapons.
- One or more of its other ranged weapons.
