⚔ MELEE WEAPONS

WEAPON	RANGE	A	WS	S	AP	D
Armoured feet	Melee	4	3+	6	0	1

ABILITIES

RULES - Code Chivalric, Deadly Demise D3

Damaged: 1-5 Wounds Remaining

While this model has 1-5 wounds remaining, subtract 3 from this model's Objective Control characteristic and each time this model makes an attack, subtract 1 from the Hit roll.

Invulnerable Save (5+*)

This model has a 5+ invulnerable save against ranged attacks.

Suppression Protocols

In your Shooting phase, after this model has shot, select one enemy unit (excluding Monsters and Vehicles) hit by one or more of those attacks made with an Armiger autocannon. Until the start of your next turn, that enemy unit is suppressed. While that unit is suppressed, each time a model in that unit makes an attack, subtract 1 from the Hit roll.

WEAPON RULES

Melta

This ability always takes the form [MELTA X]. Each time a model makes an attack with a [MELTA] weapon, if the target unit was within half range of that weapon in the Select Targets step, until the attacking unit's attacks have been resolved, add X to that weapon's D characteristic.

Example: A model targets a unit that is within half range of a [MELTA 2] weapon with a D characteristic of D6. While resolving those attacks, that weapon has a D characteristic of D6+2.

Rapid Fire

This ability always takes the form [RAPID FIRE X]. Each time you gather attack dice for a [RAPID FIRE] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

Example: If a [RAPID FIRE 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).
