► Cerastus shock lance - sweep	Melee	10	2+	10	-2	3

ABILITIES

RULES - Bondsman, Code Chivalric, Deadly Demise D6+2, Super-Heavy Walker

Damaged: 1-10 Wounds Remaining

While this model has 1-10 wounds remaining, subtract 5 from this model's Objective Control characteristic and each time this model makes an attack, subtract 1 from the Hit roll.

Lancer's Duty (Bondsman)

While a model is affected by this ability, it is eligible to declare a charge in a turn in which it Advanced.

Shock Charge

You can target this model with the Tank Shock Stratagem for OCP, and can do so even if you have already targeted a different unit with that Stratagem this phase.

WEAPON RULES

Assault

Units containing one or more models with an [ASSAULT] weapon can shoot using **assault** shooting (10.05).

Lance

Each time an attack is made with a [LANCE] weapon, if the attacking model's unit made a charge move this turn, add 1 to the wound roll.

Sustained Hits

This ability always takes the form [SUSTAINED HITS X]. Each time an attack made with a [SUSTAINED HITS] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).
