MELEE WEAPONS

WEAPON	RANGE	A	WS	S	AP	D
Automaton claws	Melee	5	4+	8	-2	2

ABILITIES

RULES - Deadly Demise 1, Reanimation Protocols

Canoptek Swarm

In your Command phase, select one friendly CANOPTEK SCARAB SWARM unit within 6" of this unit. One destroyed model is returned to that CANOPTEK SCARAB SWARM unit for each SPYDER model in this unit.

Fabricator Claw Array (Aura)

While a friendly NECRONS VEHICLE unit is within 6" of the bearer, models in that unit have the Feel No Pain 6+ ability.

Gloom Prism (Aura)

While a friendly Necrons unit is within 6" of the bearer, models in that unit have the Feel No Pain 5+ ability against mortal wounds and Psychic Attacks.

WEAPON RULES

Blast

Each time you gather attack dice for a **[BLAST]** weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form **[BLAST X]**, each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a **[BLAST 2]** weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*

Devastating Wounds

Each time an attack made with a **[DEVASTATING WOUNDS]** weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by **[DEVASTATING WOUNDS]** weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a **[DEVASTATING WOUNDS]** weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*
