ABILITIES

RULES - Scouts 7"

Baggage Harness (Aura)

While a friendly KROOT unit is within 3" of the bearer, ranged weapons equipped by models in that unit have the [**SUSTAINED HITS** 1] ability.

Harnessed Alien Instincts

In your Shooting phase, this unit can select one visible enemy unit within 12". That enemy unit is prey-marked:

- While a unit is prey-marked, that unit has +3" detection range.

Loping Stride

Each time this model Advances, do not make an Advance roll for it. Instead, until the end of the phase, add 6" to the Move characteristic of this model.

KEYWORDS: Monster, Kroot, Great Knarloc, Frame

FACTION: T'au Empire **100 PTS**

WEAPON RULES

Rapid Fire

This ability always takes the form [**RAPID FIRE** X]. Each time you gather attack dice for a [**RAPID FIRE**] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a [**RAPID FIRE** 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

Sustained Hits

This ability always takes the form [**SUSTAINED HITS** X]. Each time an attack made with a [**SUSTAINED HITS**] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

*Example: An attack made with a [**SUSTAINED HITS** 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [**SUSTAINED HITS** 2] ability).*

Twin-linked

Each time an attack is made with a [**TWIN-LINKED**] weapon, you can re-roll the wound roll.
