ABILITIES

RULES - Deadly Demise D6, For The Greater Good

Battlesuit Support System

The bearer's unit is eligible to shoot in a turn in which it Fell Back, but when doing so only models equipped with this wargear can make ranged attacks.

Damaged: 1-5 Wounds Remaining

While this model has 1-5 wounds remaining, each time this model makes an attack, subtract 1 from the Hit roll.

Nova Shielding

Once per battle, when this model is selected as the target of a ranged attack, it can use this ability. If it does, until the end of the phase, each time an attack targets this model, if the Strength characteristic of that attack is greater than the Toughness characteristic of this model, subtract 1 from the Wound roll.

Weapon Support System

Each time the bearer makes a ranged attack, you can ignore any or all modifiers to the Hit roll.

WEAPON RULES

Blast

Each time you gather attack dice for a [**BLAST**] weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form [**BLAST** X], each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a [**BLAST** 2] weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*
