AUFSTELLUNG

1x Maugan Ra (40mm)

Equipped with: Maugetar

ABILITIES

CORE - Leader

Face of Death
In your Shooting phase, after this model has shot, select one enemy unit hit by one or more of those attacks. That enemy unit must take a Battle-shock test, subtracting 1 from the result.

Harvester of Souls
While this model is leading a unit, in your Shooting phase, after selecting targets for that unit's attacks, if every attack targets the same unit, roll one D6 for the target unit and one D6 for every other enemy unit within 3" of the target unit. On a 5+, the unit being rolled for is struck by explosive debris; after resolving all of that unit's attacks against the target unit, each unit struck by explosive debris suffers D3 mortal wounds.

Leader
This model can be attached to the following unit:
- Dark Reapers

WEAPON RULES

DEVASTATING WOUNDS
Each time an attack made with a [**DEVASTATING WOUNDS**] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by [**DEVASTATING WOUNDS**] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

Example: An attack made with a [DEVASTATING WOUNDS] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.

IGNORES COVER
Each time an attack is made with an [**IGNORES COVER**] weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

KEYWORDS: Phoenix Lord, Maugan Ra, Infantry, Epic Hero, Character, Aeldari, Aspect Warrior, Leader

FACTION: Asuryani 100 PTS

CORE RULES

Battle Focus

If your Army Faction is Asuryani, at the start of the battle round, you receive a number of Battle Focus tokens based on the battle size, as shown below:

- Incursion - 2
- Strike Force - 4
- Onslaught - 6

Each time one of the triggers shown in the Agile Manoeuvres section of your codex occurs, you can spend one Battle focus token to enable the relevant eligible unit to perform that Agile Manoeuvre. A unit is eligible to perform an Agile Manoeuvre if it has this ability and has not already performed an Agile Manoeuvre in the same phase. Unless otherwise stated, you cannot trigger the same Agile Manoeuvre more than once per phase. At the end of the battle round, all unspent Battle Focus tokens are lost.

Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
