AUFSTELLUNG

1x Ynnari Archon (32mm)

Equipped with: Blast Pistol, Splinter Pistol, Huskblade

Wargear Options:

■ This model can replace its Splinter Pistol with Blast Pistol.

ABILITIES

CORE - Leader

Overlord
While this model is leading a unit, each time a model in that unit makes an attack, re-roll a Wound roll of 1. While that unit is below its Starting Strength, each time a model in that unit makes an attack, you can re-roll the Wound roll instead.

Reborn Mastermind
Once per battle round, one model from your army with this ability can use it when its unit is targeted with a Stratagem. If it does, reduce the CP cost of that usage of that Stratagem by 1CP.

Shadow Field
You cannot re-roll invulnerable saving throws made for the bearer. The first time an invulnerable saving throw made for the bearer is failed, until the end of the battle, the bearer has no invulnerable saving throw.

Leader
This model can be attached to the following units:

- Ynnari Incubi
- Ynnari Kabalite Warriors

WEAPON RULES

ANTI

This ability always takes the form [**ANTI**-X Y+]. Each time an attack is made with an [**ANTI**] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

*Example: An attack made with an [**ANTI**-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [**ANTI**-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.*

ASSAULT

Units containing one or more models with an [**ASSAULT**] weapon can shoot using **assault** shooting (10.05).

PISTOL

[**PISTOL**] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

CORE RULES

Battle Focus

If your Army Faction is Asuryani, at the start of the battle round, you receive a number of Battle Focus tokens based on the battle size, as shown below:

- Incursion - 2
- Strike Force - 4
- Onslaught - 6

Each time one of the triggers shown in the Agile Manoeuvres section of your codex occurs, you can spend one Battle focus token to enable the relevant eligible unit to perform that Agile Manoeuvre. A unit is eligible to perform an Agile Manoeuvre if it has this ability and has not already performed an Agile Manoeuvre in the same phase. Unless otherwise stated, you cannot trigger the same Agile Manoeuvre more than once per phase. At the end of the battle round, all unspent Battle Focus tokens are lost.

Disparate Paths

When mustering you army, you can include Harlequins units in your army, even though they do not have the Asuryani Faction keyword. Unless otherwise stated, you cannot select Harlequins or Ynnari as your Army Faction.

Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
