ABILITIES

Macro-steroids (Pain)
In the Fight phase, when you select this unit to fight, you can spend 1 of your Pain tokens to Empower this unit. While Empowered, melee weapons equipped by models in this unit have a Strength characteristic of 8 and the [LETHAL HITS] ability.

Monstrous Charge
Each time this unit ends a Charge move, select one enemy unit within Engagement Range of it, then roll one D6 for each model in this unit that is within Engagement Range of that enemy unit: for each 4+, that enemy unit suffers D3 mortal wounds.

Monstrous Hulks
This unit cannot embark within a Venom, but it can embark within other Drukhari Transports; when doing so, each Grotesque model takes up the space of 3 models.

WEAPON RULES

ANTI
This ability always takes the form [ANTI-X Y+]. Each time an attack is made with an [ANTI] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

Example: An attack made with an [ANTI-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [ANTI-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.

TORRENT
Each time an attack is made with a [TORRENT] weapon, that attack automatically hits the target.

TWIN-LINKED
Each time an attack is made with a [TWIN-LINKED] weapon, you can re-roll the wound roll.

CORE RULES

Feel No Pain 5+

This ability always takes the form Feel No Pain X+. Each time a model with this ability would lose a wound, roll one D6: on an X+, that wound is not lost.

Power from Pain

All Drukhari units have a Pain ability, tagged with the word 'Pain'. Pain abilities only apply to a unit while it is Empowered. If your Army Faction is Drukhari, you can Empower units from your army with Pain abilities by spending Pain tokens (see below).

GAINING PAIN TOKENS

If your Army Faction is Drukhari, you gain Pain tokens as follows:

- 1 Pain token at the start of your Command phase.
- 1 Pain token each time an enemy unit is destroyed.
- 1 Pain token each time an enemy unit fails a Battle-shock test.

Each time you gain a Pain token, keep it to one side – this is your Pain token pool. Each time you spend a Pain token, reduce your Pain token pool by the same amount.

EMPOWERED THROUGH PAIN

Each Pain ability will state when you can spend Pain tokens to Empower that unit. When you do, until the end of the phase, that unit is Empowered and all Pain abilities it has take effect. While an Attached unit is Empowered, the Pain abilities of all Leader and Bodyguard units in that unit take effect - you do not need to spend additional Pain tokens to activate each of those Pain abilities.
