AUFSTELLUNG

1x Vulture Gunship [Legends]

Equipped with: Heavy bolter, 2x Multiple rocket pods, 2x Vulture gatling cannon, Vulture hellstrike rack, Armoured hull

Wargear Options:

- This model can replace its Two rocket pods and hellstrike rack with Two Vulture gatling cannons.

ABILITIES

Damaged: 1-5 Wounds Remaining
While this model has 1-5 wounds remaining, each time this model makes an attack, subtract 1 from the Hit roll.

Gunship Barrage
In your Shooting phase, after this model has shot, select one enemy unit hit by one or more of those attacks. That enemy unit must take a Battle-shock test.

WEAPON RULES

ANTI

This ability always takes the form [**ANTI**-X Y+]. Each time an attack is made with an [**ANTI**] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

*Example: An attack made with an [**ANTI**-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [**ANTI**-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.*

BLAST

Each time you gather attack dice for a [**BLAST**] weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form [**BLAST** X], each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a [**BLAST** 2] weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*

SUSTAINED HITS

This ability always takes the form [**SUSTAINED HITS** X]. Each time an attack made with a [**SUSTAINED HITS**] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

*Example: An attack made with a [**SUSTAINED HITS** 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [**SUSTAINED HITS** 2] ability).*

CORE RULES

Deadly Demise D6

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

Hover

Each time this unit takes to the skies (21.03), do not subtract 2" from the maximum distance.
