IMMER / EINMALIG

Mindlock

While a Techmarine model is leading this unit, improve the Ballistic Skill and Weapon Skill characteristics of ranged and melee weapons equipped by Astartes Servitor models in this unit by 1.

Servitor Retinue

At the start of the Declare Battle Formations step, this unit can join one other unit from your army that is being led by a Techmarine. If it does, until the end of the battle, every model in this unit counts as being part of that Bodyguard unit, and that Bodyguard unit's Starting Strength is increased accordingly.
