ABILITIES

RULES - Combat Doctrines, Deadly Demise D3, Firing Deck 2

Transport

This model has a transport capacity of 12 ADEPTUS ASTARTES INFANTRY models. It cannot transport JUMP PACK/GRAVIS/TERMINATOR models

Veiling Smoke

(Once per phase, per unit) You can target this unit with the Smokescreen stratagem, regardless of any other uses of that stratagem this phase. If you do: That use is -1 CP. That use does not prevent any uses of that stratagem on other units this phase.

WEAPON RULES

One Shot

Each weapon with this ability can only be selected to make attacks with once per battle.

If a destroyed model is returned to a unit, all of its **[ONE SHOT]** weapons that have already been selected to make attacks with during the battle cannot be selected to make attacks with again.

If a new unit is added to an army, all **[ONE SHOT]** weapons in that unit can be selected to make attacks with once per battle.

Rapid Fire

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*
