AUFSTELLUNG

1x Ancient in Terminator Armour (40mm)

Equipped with: Storm bolter, Master-crafted power weapon

ABILITIES

CORE - Support

Never Shall the Standard Fall

While this unit is within range of an objective, attacks that target this unit with a S greater than this unit's T have -1 to wound rolls.

Raise the Banner

At the end of your Movement phase, if this unit is controlling an objective, that objective is secured.

Leader

This model can be attached to the following units: DEATHWATCH TERMINATOR SQUAD, DEATHWING KNIGHTS, DEATHWING TERMINATOR SQUAD, TERMINATOR ASSAULT SQUAD, TERMINATOR SQUAD, WOLF GUARD TERMINATORS

WEAPON RULES

RAPID FIRE

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).

CORE RULES

◆ **Combat Doctrines**

At the start of your Command phase, you can select one Combat Doctrine listed below. If you do, that Combat Doctrine is active for friendly ADEPTUS ASTARTES units with this ability until the start of your next Command Phase

Assault Doctrine

When this unit is selected to make an Advance move, that Advance move does not prevent this unit from being eligible to declare a charge.

Devastator Doctrine

This unit's ranged attacks have [ASSAULT]

Tactical Doctrine

When this unit is selected to make a Fall-back move, that Fall-back move does not prevent this unit from being eligible to shoot and eligible to declare a charge.

Unless otherwise stated.

- You can only select each Combat Doctrine once per battle

- Only one Combat Doctrine can be active for each unit. If a rule make a Combat Doctrine active for a unit, any Combat Doctrine previously active for that unit is no longer active for that unit.

◆ **Deep Strike**

Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

◆ **Support**

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it.

Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
