Armoured tracks	Melee	3	4+	6	0	1

AUFSTELLUNG

1x Imperial Rhino (Hull)

Equipped with: Hunter-killer missile, Storm bolter, Armoured tracks

ABILITIES

Self-repair
At the start of your Command phase, this model regains 1 lost wound.

Imperial Rhino (Transport)
Capacity: This model has a transport capacity of 12 AGENTS OF THE IMPERIUM INFANTRY models. It cannot transport TERMINATOR or OFFICIO ASSASSINORUM models.

WEAPON RULES

One Shot
Each weapon with this ability can only be selected to make attacks with once per battle.

If a destroyed model is returned to a unit, all of its [**ONE SHOT**] weapons that have already been selected to make attacks with during the battle cannot be selected to make attacks with again.

If a new unit is added to an army, all [**ONE SHOT**] weapons in that unit can be selected to make attacks with once per battle.

KEYWORDS: Dedicated Transport, Vehicle, Smoke, Transport, Imperium, Imperial Rhino, Frame

FACTION: Agents of the Imperium

Rapid Fire

This ability always takes the form [**RAPID FIRE** X]. Each time you gather attack dice for a [**RAPID FIRE**] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a [**RAPID FIRE** 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

RULES

Assigned Agents

If your army Faction is not AGENTS OF THE IMPERIUM, but every model in your army has the IMPERIUM keyword, you can include AGENTS OF THE IMPERIUM units in your army even if they do not have the Faction keyword you selected in the Select Army Faction step. In this case, the maximum number of AGENTS OF THE IMPERIUM units you can include in your army depends on the battle size, as shown below.

Incursion: 1 RETINUE, 1 CHARACTER, 1 REQUISITIONED

Strike Force: 2 RETINUE, 2 CHARACTER, 1 REQUISITIONED

Onslaught: 3 RETINUE, 3 CHARACTER, 2 REQUISITIONED

Note that you can include AGENTS OF THE IMPERIUM DEDICATED TRANSPORT units in such an army as normal, but each unit must start the battle with one or more units embarked within it, or it cannot be deployed for that battle and will count as having been destroyed during the first battle round.

Deadly Demise D3

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

Firing Deck 2

This ability always takes the form Firing Deck X. In your Shooting phase, each time this TRANSPORT is selected to shoot, if one or more units are embarked within it, resolve the following sequence:

1. Select up to X models embarked within this TRANSPORT (excluding models whose units have already been selected to shoot this phase).

2. For each selected model, select one of its ranged weapons (excluding [**ONE SHOT**] weapons).

3. Until this TRANSPORT has resolved all of its attacks, it has all of those selected weapons in addition to its other weapons.

4. Until the end of the turn, units embarked within this TRANSPORT are not eligible to shoot.
