Transport

This model has a transport capacity of 6 ADEPTA SORORITAS INFANTRY models. It cannot transport JUMP PACK models or the Triumph of Saint Katherine. At the start of the Declare Battle Formations step, you can select one BATTLE SISTERS SQUAD, DOMINION SQUAD or SISTERS NOVITIATE SQUAD from your army. If you do, that unit is split into two units, each containing as equal a number of models as possible (when splitting a unit in this way, make a note of which models form each of the two new units. If you are splitting a unit that has the Cherub ability, only one of the new units can use that ability during the battle – make a note of which of the new units this will be). One of these units must start the battle embarked within this TRANSPORT; the other can start the battle embarked within another TRANSPORT, or it can be deployed as a separate unit.
