FACTION RULES

Aegis of the Emperor
Friendly Adeptus Custodes units with this ability have Feel No Pain 5+ against mortal wounds.

Aquila Commander
At the start of the battle round, if a model with this ability is your Warlord, gain 1CP.

Martial Ka'tah
At the start of your Command phase, friendly Adeptus Custodes units with this ability are readied. While a friendly unit is readied, you can select one of the ka-tah abilities for that unit to use. If you do, that unit is no longer readied.

Each ka-tah ability will tell you when that ka-tah ability can be used and the effects that ka-tah ability has on the unit using it.

CORE RULES

Deep Strike
Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

Leader
Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
