Aerial Seeding
This model must start the battle in Reserves, but neither it nor any units embarked within it are counted towards any limits placed on the maximum number of Reserves units you can start the battle with. This model can be set up in the Reinforcements step of your first, second or third Movement phase, regardless of any mission rules. Any units embarked within this model must immediately disembark after it has been set up on the battlefield, and they must be set up more than 8" away from all enemy models. After this model has been set up on the battlefield, no units can embark within it.
