Monstrous scything talons EXTRA ATTACKS	Melee	4	2+	7	-2	2
Tyrant talons	Melee	5	2+	7	-2	2

ABILITIES

RULES - Deadly Demise D3, Deep Strike, Shadow in the Warp, Synapse

Paroxysm (Psychic)

At the start of the Fight phase, you can select one enemy unit within 12" of and visible to this model and roll one D6: on a 1, this Psyker suffers D3 mortal wounds; on a 2+, until the end of the phase, subtract 1 from the Attacks characteristic of weapons equipped by models in that unit.

Will of the Hive Mind

Once per battle round, one model from your army with this ability can use it when a friendly TYRANIDS unit within 12" of that model is targeted with a Stratagem. If it does, reduce the CP cost of that use of that Stratagem by 1CP.

WEAPON RULES

Blast

Each time you gather attack dice for a **[BLAST]** weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form **[BLAST X]**, each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a **[BLAST 2]** weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*

Extra Attacks

Each time a unit containing one or more models with an **[EXTRA ATTACKS]** weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's **[EXTRA ATTACKS]** weapons.
- One of that model's other melee weapons, if possible.

Twin-linked

Each time an attack is made with a **[TWIN-LINKED]** weapon, you can re-roll the wound roll.
