ABILITIES

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Chronus</b><br>When this model disembarks from a Vehicle model it was commanding, it has the Lone Operative ability until the end of the battle.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Tank Commander</b><br>While this model is commanding a Vehicle model (see reverse): <ul style="list-style-type: none"><li>• Ranged weapons equipped by that Vehicle model have a Ballistic Skill characteristic of 2+.</li><li>• Each time that Vehicle model is selected to shoot, you can re-roll one Wound roll when resolving those attacks.</li></ul> If your army includes one or more of the Vehicle models listed below, Sergeant Chronus must start the battle embarked within one of those models as if it were a Transport. Sergeant Chronus can only disembark from that Vehicle if it is destroyed. While embarked in this way, Sergeant Chronus is said to be commanding that Vehicle. <ul style="list-style-type: none"><li>• Hunter</li><li>• Land Raider</li><li>• Land Raider Crusader</li><li>• Land Raider Redeemer</li><li>• Predator Annihilator</li><li>• Predator Destructor</li><li>• Stalker</li><li>• Vindicator</li><li>• Whirlwind</li></ul> |
