ABILITIES

Damaged: 1-7 wounds remaining
While this model has 1-7 wounds remaining, each time this model makes an attack, subtract 1 from the Hit roll.

Greater Daemon of Slaanesh (Aura)
While a friendly Slaanesh Legiones Daemonica unit is within 6" of this model, that unit is within your army's Shadow of Chaos.

Monarch of the Hunt
At the start of the first battle round, select one enemy unit to be this model's quarry. Each time this model makes a melee attack that targets its quarry, you can re-roll the Hit roll and you can re-roll the Wound roll. Each time this model's quarry is destroyed, select one new enemy unit to be this model's quarry.

No Prey Can Evade
You can re-roll Advance and Charge rolls made for this model.

Seductive Gambit
Each time this unit ends a Charge move, you can declare it will perform a Seductive Gambit. If you do, until the end of the turn, this unit does not have the Fights First ability, but instead, each time a model in this unit makes an attack, you can re-roll the Hit roll and you can re-roll a Wound roll of 1.

KEYWORDS: Monster, Character, Epic Hero, Psyker, Chaos, Daemon, Slaanesh, Shalaxi Helbane, Slaanesh non-Battleline

FACTION: Legiones Daemonica

AUFSTELLUNG

1x Shalaxi Helbane (100mm)

Equipped with: Lash of Slaanesh, ➤ Pavane of Slaanesh - focused witchfire, ➤ Pavane of Slaanesh - witchfire, Snapping claws, Soulpiercer

WEAPON RULES

Assault

Units containing one or more models with an [**ASSAULT**] weapon can shoot using **assault** shooting (10.05).

Devastating Wounds

Each time an attack made with a [**DEVASTATING WOUNDS**] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by [**DEVASTATING WOUNDS**] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a [**DEVASTATING WOUNDS**] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

Extra Attacks

Each time a unit containing one or more models with an [**EXTRA ATTACKS**] weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's [**EXTRA ATTACKS**] weapons.

- One of that model's other melee weapons, if possible.

Hazardous

Each time a unit is selected to shoot or selected to fight, after that unit has resolved all of its attacks, make a number of hazard rolls (06.03) for that unit equal to the number of [**HAZARDOUS**] weapons you selected in the Select Weapons step.

Precision

While resolving attacks made with one or more [**PRECISION**] weapons, at the start of the Allocation Order step (05.03), if the target unit contains one or more CHARACTER models visible to one or more of the attacking models, the active player can select one allocation group that contains one of those visible CHARACTER models. If they do, until those attacks are resolved, or until that CHARACTER group is destroyed (whichever happens first), that CHARACTER group is the current allocation group.

Psychic

Each time an attack is made with a [**PSYCHIC**] weapon, you can ignore any or all modifiers to that attack's BS or WS characteristic and any or all modifiers to the hit roll. Attacks made with [**PSYCHIC**] weapons are known as **psychic** attacks (this can be important for the triggering of other rules).

Sustained Hits

This ability always takes the form [**SUSTAINED HITS** X]. Each time an attack made with a [**SUSTAINED HITS**] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

*Example: An attack made with a [**SUSTAINED HITS** 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [**SUSTAINED HITS** 2] ability).*

RULES

Deadly Demise D6

This ability always takes the form Deadly Demise X. Each time a model in this unit is destroyed, after the units embarked within it (if any) have made their emergency disembark moves, roll one D6. On a 6, that model suffers a deadly demise; each unit within 6" of that model suffers a number of mortal wounds denoted by X (if this is a random number, roll separately for each unit within 6").

Deep Strike

Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

KEYWORDS: Monster, Character, Epic Hero, Psyker, Chaos, Daemon, Slaanesh, Shalaxi Helbane, Slaanesh non-Battleline

FACTION: Legiones Daemonica

The Shadow of Chaos

If your Army Faction is LEGIONES DAEMONICA, certain areas of the battlefield are considered to be within your army's Shadow of Chaos, as follows:

- Your deployment zone is always within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within No Man's Land, until the end of that phase, No Man's Land is within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within your opponent's deployment zone, until the end of that phase, your opponent's deployment zone is within your army's Shadow of Chaos.

DAEMONIC MANIFESTATION

While a friendly LEGIONES DAEMONICA unit is within your army's Shadow of Chaos, each time that unit makes a battle-shock roll, that unit has +1 to that battle-shock roll and, if that roll is successful, one model in that unit heals D3 wounds (if that unit is a BATTLELINE unit and that roll is successful, up to D3 destroyed models (excluding CHARACTER models) can be returned to that unit instead).

DAEMONIC TERROR

While an enemy unit is within your army's Shadow of Chaos and/or it is within 6" of one or more BLOODTHIRSTER, GREAT UNCLEAN ONE, KAIROS FATEWEAVER, KEEPER OF SECRETS, LORD OF CHANGE, ROTIGUS, SHALAXI HELBANE or SKARBRAND units from your army, each time that unit takes a Battle-shock test, subtract 1 from that test and, if that test is failed, that enemy unit suffers D3 mortal wounds.

KEYWORDS: Monster, Character, Epic Hero, Psyker, Chaos, Daemon, Slaanesh, Shalaxi Helbane, Slaanesh non-Battleline

FACTION: Legiones Daemonica

Warp Rifts

Each time a LEGIONES DAEMONICA unit from your army is set up on the battlefield using the Deep Strike ability, if it is set up wholly within your army's Shadow of Chaos, and/or if it is set up wholly within 6" of one or more friendly BLOODTHIRSTER, GREAT UNCLEAN ONE, KAIROS FATEWEAVER, KEEPER OF SECRETS, LORD OF CHANGE, ROTIGUS, SHALAXI HELBANE or SKARBRAND units with which it shares the KHORNE, TZEENTCH, NURGLE or SLAANESH keyword, it can be set up anywhere that is more than 6" horizontally away from all enemy models, instead of more than 8".

KEYWORDS: Monster, Character, Epic Hero, Psyker, Chaos, Daemon, Slaanesh, Shalaxi Helbane, Slaanesh non-Battleline
