ABILITIES

RULES - Deep Strike, The Shadow of Chaos, Warp Rifts

Seductive Gambit

Each time this unit ends a Charge move, you can declare it will perform a Seductive Gambit. If you do, until the end of the turn, this unit does not have the Fights First ability, but instead, each time a model in this unit makes an attack, you can re-roll the Hit roll and you can re-roll a Wound roll of 1.

Shadow's Caress

Enemy units cannot use the Fire Overwatch Stratagem to shoot at this unit.

Soporific Musk

Each time an enemy unit (excluding Monsters and Vehicles) within Engagement Range of one or more units from your army with this ability Falls Back, models in that enemy unit must take Desperate Escape tests. When doing so, if that enemy unit is also Battle-shocked, subtract 1 from each of those Desperate Escape tests.

WEAPON RULES

Devastating Wounds

Each time an attack made with a [DEVASTATING WOUNDS] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by [DEVASTATING WOUNDS] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

Example: An attack made with a [DEVASTATING WOUNDS] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.
