ABILITIES

RULES - Deadly Demise D6, Deep Strike, Feel No Pain 6+, The Shadow of Chaos, Warp Rifts

Damaged: 1-7 wounds remaining

While this model has 1-7 wounds remaining, each time this model makes an attack, subtract 1 from the Hit roll.

Emissary of the Plague God (Aura)

While a friendly NURGLE LEGIONES DAEMONICA unit is within 6" of this model, you can re-roll Battle-shock tests taken for that unit.

Nurgle's Rot (Psychic)

At the end of your Movement phase, you can select one enemy unit within 12" of this model. Until the start of your next Movement phase, subtract 1 from the Toughness characteristic of models in that unit.

WEAPON RULES

Ignores Cover

Each time an attack is made with an **[IGNORES COVER]** weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

Lethal Hits

Each time an attack made with a **[LETHAL HITS]** weapon results in a critical hit, you can choose for that attack to automatically wound the target.

Designer's Note: Choosing to automatically wound the target means that no wound roll is made for that attack. You may decide against this, as it means that attack cannot result in a critical wound and so cannot trigger other abilities such as [DEVASTATING WOUNDS].

Torrent

Each time an attack is made with a **[TORRENT]** weapon, that attack automatically hits the target.
