ABILITIES

CORE - Leader

RULES - Deep Strike, Leader, The Shadow of Chaos, Warp Rifts

Gloom Rot

Each time an attack targets this unit, if the Strength characteristic of that attack is greater than this unit's Toughness characteristic, subtract 1 from the Wound roll.

Keep Counting!

While this model is leading a unit, melee weapons equipped by models in that unit have the [SUSTAINED HITS 1] ability.

Meet Your Quota!

While this model is leading a unit, add 1 to the Objective Control characteristic of models in that unit.

Leader

This model can be attached to the following unit:

- PLAGUE BEARERS

WEAPON RULES

Lethal Hits

Each time an attack made with a [LETHAL HITS] weapon results in a critical hit, you can choose for that attack to automatically wound the target.

Designer's Note: Choosing to automatically wound the target means that no wound roll is made for that attack. You may decide against this, as it means that attack cannot result in a critical wound and so cannot trigger other abilities such as [DEVASTATING WOUNDS].

Pistol

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

Torrent

Each time an attack is made with a [TORRENT] weapon, that attack automatically hits the target.
