AUFSTELLUNG

3-6x Fiends - Equipped with: Barbed tail and dissecting claws (75x42mm Oval Base)

ABILITIES

Seductive Gambit
Each time this unit ends a Charge move, you can declare it will perform a Seductive Gambit. If you do, until the end of the turn, this unit does not have the Fights First ability, but instead, each time a model in this unit makes an attack, you can re-roll the Hit roll and you can re-roll a Wound roll of 1.

Shadow's Caress
Enemy units cannot use the Fire Overwatch Stratagem to shoot at this unit.

Soporific Musk
Each time an enemy unit (excluding Monsters and Vehicles) within Engagement Range of one or more units from your army with this ability Falls Back, models in that enemy unit must take Desperate Escape tests. When doing so, if that enemy unit is also Battle-shocked, subtract 1 from each of those Desperate Escape tests.

WEAPON RULES

DEVASTATING WOUNDS
Each time an attack made with a [**DEVASTATING WOUNDS**] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.
Mortal wounds inflicted by [**DEVASTATING WOUNDS**] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.
*Example: An attack made with a [**DEVASTATING WOUNDS**] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

CORE RULES

◈ Deep Strike

Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

◈ The Shadow of Chaos

If your Army Faction is LEGIONES DAEMONICA, certain areas of the battlefield are considered to be within your army's Shadow of Chaos, as follows:

- Your deployment zone is always within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within No Man's Land, until the end of that phase, No Man's Land is within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within your opponent's deployment zone, until the end of that phase, your opponent's deployment zone is within your army's Shadow of Chaos.

DAEMONIC MANIFESTATION

While a friendly LEGIONES DAEMONICA unit is within your army's Shadow of Chaos, each time that unit makes a battle-shock roll, that unit has +1 to that battle-shock roll and, if that roll is successful, one model in that unit heals D3 wounds (if that unit is a BATTLELINE unit and that roll is successful, up to D3 destroyed models (excluding CHARACTER models) can be returned to that unit instead).

DAEMONIC TERROR

While an enemy unit is within your army's Shadow of Chaos and/or it is within 6" of one or more BLOODTHIRSTER, GREAT UNCLEAN ONE, KAIROS FATEWEAVER, KEEPER OF SECRETS, LORD OF CHANGE, ROTIGUS, SHALAXI HELBANE or SKARBRAND units from your army, each time that unit takes a Battle-shock test, subtract 1 from that test and, if that test is failed, that enemy unit suffers D3 mortal wounds.

◈ Warp Rifts

Each time a LEGIONES DAEMONICA unit from your army is set up on the battlefield using the Deep Strike ability, if it is set up wholly within your army's Shadow of Chaos, and/or if it is set up wholly within 6" of one or more friendly BLOODTHIRSTER, GREAT UNCLEAN ONE, KAIROS FATEWEAVER, KEEPER OF SECRETS, LORD OF CHANGE, ROTIGUS, SHALAXI HELBANE or SKARBRAND units with which it shares the KHORNE, TZEENTCH, NURGLE or SLAANESH keyword, it can be set up anywhere that is more than 6" horizontally away from all enemy models, instead of more than 8".
