WEAPON	RANGE	A	WS	S	AP	D
Singing Spear PSYCHIC	Melee	2	3+	3	0	3
Witchblade ANTI-INFANTRY 2+ PSYCHIC	Melee	2	3+	3	0	2

ABILITIES

CORE - Leader

- Protect (Psychic)**

While a Farseer model is leading this unit, each time an attack targets this unit, subtract 1 from the Wound roll.
- Psychic Communion (Psychic)**

Each time this unit is selected to shoot, for each Warlock model in this unit, until the end of the phase, add 1 to the Attacks and Strength characteristics of that model's Destructor weapon for each other friendly Aeldari Psyker model within 6" of this model (to a maximum of +2).
- Leader**

At the start of the Declare Battle Formations step, if this unit is not an Attached unit, this unit can join one GUARDIAN DEFENDERS or STORM GUARDIANS unit from your army (a unit cannot have more than one WARLOCK CONCLAVE unit joined to it). If it does, until the end of the battle, every model in this unit counts as being part of that Bodyguard unit, and that Bodyguard unit's Starting Strength is increased accordingly.

WEAPON ABILITIES

- Anti**

This ability always takes the form [ANTI-X Y+]. Each time an attack is made with an [ANTI] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

Example: An attack made with an [ANTI-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [ANTI-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.
- Assault**

Units containing one or more models with an [ASSAULT] weapon can shoot using **assault** shooting (10.05).
- Pistol**

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

 - One or more of its [CLOSE-QUARTERS] weapons.
 - One or more of its other ranged weapons.
- Psychic**

Each time an attack is made with a [PSYCHIC] weapon, you can ignore any or all modifiers to that attack's BS or WS characteristic and any or all modifiers to the hit roll. Attacks made with [PSYCHIC] weapons are known as **psychic** attacks (this can be important for the triggering of other rules).
- Torrent**

Each time an attack is made with a [TORRENT] weapon, that attack automatically hits the target.

CORE RULES

Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
