ABILITIES

CORE - Leader

Berserker Frenzy

The first time this model is destroyed, at the end of the phase, roll one D6: on a 2+, set this model back up on the battlefield as close as possible to where it was destroyed and not within Engagement Range of any enemy units, with 3 wounds remaining.

Legendary Killer

While this model is leading a unit, each time a model in that unit makes a melee attack, re-roll a Hit roll of 1 and re-roll a Wound roll of 1.

The Betrayer

At the end of your Charge phase, if this model is leading a unit and that unit is not within Engagement Range of one or more enemy units, you must take a Leadership test for this model. If that test is failed, one Bodyguard model of your choice in that unit is destroyed.

Leader

This model can be attached to the following unit: Khorne Berzerkers

WEAPON ABILITIES

Hazardous

Each time a unit is selected to shoot or selected to fight, after that unit has resolved all of its attacks, make a number of hazard rolls (06.03) for that unit equal to the number of [HAZARDOUS] weapons you selected in the Select Weapons step.

Pistol

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.

- One or more of its other ranged weapons.

AUFSTELLUNG

1x Khârn the Betrayer

Equipped with: ► Plasma pistol - standard, ► Plasma pistol - supercharge, Gorechild

KEYWORDS: Infantry, Character, Epic Hero, Grenades, Chaos, Khorne, Khârn the Betrayer

FACTION KEYWORDS: World Eaters

FACTION RULES

Blessings of Khorne

If your Army Faction is World Eaters, at the start of the battle round, you can make a Blessings of Khorne roll. To do so, roll eight D6. You can then use those dice to activate up to two Blessings of Khorne. Each Blessing of Khorne specifies the dice results it requires (where a number is specified, a double or triple of that value or higher is required). You can only activate each Blessing of Khorne once per battle round. Any unused dice from the Blessings of Khorne roll are then discarded. Once activated, each Blessing of Khorne applies to all units from your army with this ability until the end of the battle round.

Example: Ash makes their Blessings of Khorne roll and gets the following dice: 1, 2, 2, 2, 3, 4, 6, 6. First they use the two 6s to activate Warp Blades (which requires a double 5+), leaving the following dice: 1, 2, 2, 2, 3, 4.

They then use the two 2s to activate Wrathful Devotion (which requires any double), leaving the following dice: 1, 2, 3, 4.

However, now that they have activated two Blessings of Khorne, they cannot activate any more and the remaining dice are discarded.

CORE RULES

Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
