ABILITIES

Implacable Eradication
Each time a model in this unit makes an attack, re-roll a Wound roll of 1. If the target of that attack is an enemy unit within range of an objective marker, you can re-roll the Wound roll instead.

WEAPON ABILITIES

- Assault**
Units containing one or more models with an [ASSAULT] weapon can shoot using **assault** shooting (10.05).
- Lethal Hits**
Each time an attack made with a [LETHAL HITS] weapon results in a critical hit, you can choose for that attack to automatically wound the target.
Designer's Note: Choosing to automatically wound the target means that no wound roll is made for that attack. You may decide against this, as it means that attack cannot result in a critical wound and so cannot trigger other abilities such as [DEVASTATING WOUNDS].
- Sustained Hits**
This ability always takes the form [SUSTAINED HITS X]. Each time an attack made with a [SUSTAINED HITS] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.
Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).
