ABILITIES

CORE - Leader

Mad Dok
While this model is leading a unit, models in that unit have the Feel No Pain 5+ ability.

One Scalpel Short of a Medpack
While this model is leading a unit, that unit is eligible to declare a charge in a turn in which it Fell Back.

Leader
This model can be attached to the following units:

- Boyz
- Burna Boyz
- Tankbustas
- Lootas
- Nobz

WEAPON ABILITIES

- Anti**
This ability always takes the form [ANTI-X Y+]. Each time an attack is made with an [ANTI] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

Example: An attack made with an [ANTI-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [ANTI-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.
- Extra Attacks**
Each time a unit containing one or more models with an [EXTRA ATTACKS] weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

 - All of that model's [EXTRA ATTACKS] weapons.
 - One of that model's other melee weapons, if possible.
- Precision**
While resolving attacks made with one or more [PRECISION] weapons, at the start of the Allocation Order step (05.03), if the target unit contains one or more CHARACTER models visible to one or more of the attacking models, the active player can select one allocation group that contains one of those visible CHARACTER models. If they do, until those attacks are resolved, or until that CHARACTER group is destroyed (whichever happens first), that CHARACTER group is the current allocation group.
- Sustained Hits**
This ability always takes the form [SUSTAINED HITS X]. Each time an attack made with a [SUSTAINED HITS] weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

Example: An attack made with a [SUSTAINED HITS 2] weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the [SUSTAINED HITS 2] ability).

AUFSTELLUNG

1x Mad Dok Grotznik [Legends]

Equipped with: Slugga, Power klaw, 'Urty syringe

KEYWORDS: Epic Hero, Character, Infantry, Painboy, Mad Dok Grotznik

FACTION KEYWORDS: Orks

CORE RULES

- Close-quarters**
Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:
 - One or more of its [CLOSE-QUARTERS] weapons.
 - One or more of its other ranged weapons.
- Leader**
Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.
