Twin killsaw TWIN-LINKED	Melee	2	4+	12	-3	2

ABILITIES

Krumpin' Time
While the Waaagh! is active for your army, models in this unit have the Feel No Pain 5+ ability.

WEAPON ABILITIES

Anti
This ability always takes the form [ANTI-X Y+]. Each time an attack is made with an [ANTI] weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.
Example: An attack made with an [ANTI-VEHICLE 4+] weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an [ANTI-PSYKER 2+] weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.

Devastating Wounds
Each time an attack made with a [DEVASTATING WOUNDS] weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.
Mortal wounds inflicted by [DEVASTATING WOUNDS] weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.
Example: An attack made with a [DEVASTATING WOUNDS] weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.

Rapid Fire
This ability always takes the form [RAPID FIRE X]. Each time you gather attack dice for a [RAPID FIRE] weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.
Example: If a [RAPID FIRE 1] weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).

Twin-linked
Each time an attack is made with a [TWIN-LINKED] weapon, you can re-roll the wound roll.
