ABILITIES

CORE - Leader, Leader

Abyssal Void

Models in this unit have the Lone Operative ability.

Ka'tah Master

Once per phase, you can re-roll one Hit roll or one Wound roll for an attack made by this model.

Singular Expertise

While this model is not leading a unit, each time this model makes a melee attack, you can re-roll the Hit roll and you can re-roll the Wound roll.

Swift Onslaught

While this model is leading a unit, you can re-roll Charge rolls made for that unit.

Leader

This model can be attached to the following units: Allarus Custodians

### WEAPON RULES

#### Anti

This ability always takes the form **[ANTI-X Y+]**. Each time an attack is made with an **[ANTI]** weapon, if the target unit has the keyword denoted by X, an unmodified wound roll of Y+ is a critical wound.

*Example: An attack made with an **[ANTI-VEHICLE 4+]** weapon against a Vehicle unit will result in a critical wound on an unmodified wound roll of 4+, while an attack made with an **[ANTI-PSYKER 2+]** weapon against a Psyker unit will result in a critical wound on an unmodified wound roll of 2+.*

#### Assault

Units containing one or more models with an **[ASSAULT]** weapon can shoot using **assault** shooting (10.05).

#### Blast

Each time you gather attack dice for a **[BLAST]** weapon, add one additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down). If this ability takes the form **[BLAST X]**, each time you gather attack dice for such a weapon, add X additional attack dice for every five models that were in the target unit in the Select Targets step (rounding down) instead.

*Example: If a **[BLAST 2]** weapon with an A characteristic of 3 targets a unit containing 12 models, you would gather four additional attack dice for that weapon (for a total of seven for that weapon).*

### AUFSTELLUNG

1x Guardian of the Throne [Crucible]

**Equipped with:** Balistus grenade launcher, Castellan axe, Guardian spear, Master-crafted boltgun, Pyrihite spear, Salvo launcher, Sentinel blade, Vertus hurricane bolter, Witchseeker flamer, Close combat weapon, Executioner greatblade, Interceptor lance, Misericordia, ► Vaultswords - Behemor, ► Vaultswords - Hurricanis, ► Vaultswords - Victus

### Wargear Options:

- This model can be equipped with one of: Guardian spear, Castellan axe, Master-crafted boltgun, Witchseeker flamer, Pyrihite spear, Balistus grenade launcher.
- This model can be equipped with up to 2x Sentinel blade.
- This model can be equipped with up to 2 of: Guardian spear, Castellan axe, Pyrihite spear, Balistus grenade launcher.
- This model can be equipped with one of: Vertus hurricane bolter, Salvo launcher.

### Devastating Wounds

Each time an attack made with a **[DEVASTATING WOUNDS]** weapon results in a critical wound, the attack sequence for that attack ends and the target unit suffers a number of mortal wounds equal to the D characteristic of that weapon. These are inflicted after resolving any normal damage inflicted by those attacks.

Mortal wounds inflicted by **[DEVASTATING WOUNDS]** weapons can damage a maximum of one model for each critical wound; any remaining mortal wounds inflicted by that attack are lost.

*Example: An attack made with a **[DEVASTATING WOUNDS]** weapon with a D characteristic of 3 results in a critical wound against an Intercessor Squad, so inflicts 3 mortal wounds. The first 2 mortal wounds are sufficient to destroy 1 Intercessor model, so the remaining mortal wound is lost.*

### Extra Attacks

Each time a unit containing one or more models with an **[EXTRA ATTACKS]** weapon fights, those models will make attacks with those weapons in addition to any others. In the Select Weapons step (04.01), for each of those models, you must select:

- All of that model's **[EXTRA ATTACKS]** weapons.
- One of that model's other melee weapons, if possible.

### Ignores Cover

Each time an attack is made with an **[IGNORES COVER]** weapon, the target cannot have the benefit of cover against that attack (13.08), including from rules that give a model or unit the benefit of cover (e.g. Stealth).

# GUARDIAN OF THE THRONE [CRUCIBLE]

| M  | T | SV | W | LD | OC |
|----|---|----|---|----|----|
| 6" | 6 | 2+ | 6 | 6+ | 2  |

## Lance

Each time an attack is made with a [LANCE] weapon, if the attacking model's unit made a charge move this turn, add 1 to the wound roll.

## Melta

This ability always takes the form [MELTA X]. Each time a model makes an attack with a [MELTA] weapon, if the target unit was within half range of that weapon in the Select Targets step, until the attacking unit's attacks have been resolved, add X to that weapon's D characteristic.

*Example: A model targets a unit that is within half range of a [MELTA 2] weapon with a D characteristic of D6. While resolving those attacks, that weapon has a D characteristic of D6+2.*

## Pistol

[PISTOL] and [CLOSE-QUARTERS] are identical for all rules purposes.

Units containing one or more models with a [CLOSE-QUARTERS] weapon can shoot using close-quarters shooting (10.06). When using another shooting type, for each model in that unit (excluding MONSTER/VEHICLE models), you can only select one of the following to make attacks with:

- One or more of its [CLOSE-QUARTERS] weapons.
- One or more of its other ranged weapons.

# GUARDIAN OF THE THRONE [CRUCIBLE]

| M  | T | SV | W | LD | OC |
|----|---|----|---|----|----|
| 6" | 6 | 2+ | 6 | 6+ | 2  |

## Precision

While resolving attacks made with one or more **[PRECISION]** weapons, at the start of the Allocation Order step (05.03), if the target unit contains one or more CHARACTER models visible to one or more of the attacking models, the active player can select one allocation group that contains one of those visible CHARACTER models. If they do, until those attacks are resolved, or until that CHARACTER group is destroyed (whichever happens first), that CHARACTER group is the current allocation group.

## Rapid Fire

This ability always takes the form **[RAPID FIRE X]**. Each time you gather attack dice for a **[RAPID FIRE]** weapon, add X additional attack dice if the target unit was within half range of that weapon in the Select Targets step.

*Example: If a **[RAPID FIRE 1]** weapon with an A characteristic of 1 targets a unit that is within half range, you would gather one additional attack dice for that weapon (for a total of two for that weapon).*

## Sustained Hits

This ability always takes the form **[SUSTAINED HITS X]**. Each time an attack made with a **[SUSTAINED HITS]** weapon results in a critical hit, that attack results in a number of additional hits on the target as denoted by X.

*Example: An attack made with a **[SUSTAINED HITS 2]** weapon results in a critical hit. That attack therefore hits the target three times (once from the critical hit, and twice more from the **[SUSTAINED HITS 2]** ability).*

|----|---|----|---|----|----|
| 6" | 6 | 2+ | 6 | 6+ | 2  |

**Torrent**

Each time an attack is made with a [TORRENT] weapon, that attack automatically hits the target.

**Twin-linked**

Each time an attack is made with a [TWIN-LINKED] weapon, you can re-roll the wound roll.

## RULES

### Deep Strike

Each time this unit makes an ingress move (20.04), if every model in this unit has this ability, it can be set up anywhere on the battlefield that is more than 8" horizontally from all enemy units, even if that is within your opponent's deployment zone.

### Leader

Before the battle, in the Muster Armies step, for each leader and support unit in your army, you can select one friendly bodyguard unit that unit can lead. That unit will then lead that bodyguard unit for the battle and form an attached unit with it. Unless otherwise stated, each bodyguard unit can only have one leader unit and one support unit attached to it.

### Lone Operative

Unless part of an attached unit, this unit is not visible to enemy models unless they are within 12" of this unit, and it cannot be targeted by [INDIRECT FIRE] weapons unless the attacking model is within 12" of this unit.

If this ability takes the form Lone Operative X", unless part of an attached unit, this unit is not visible to enemy models unless they are within X" of this unit, and it cannot be targeted by [INDIRECT FIRE] weapons unless the attacking model is within X" of this unit.

### Martial Ka'tah

Each time a unit with this ability is selected to fight, select one of the Ka'tah stances below. Until that unit has finished making its attacks, the selected Stance is active for it and it gains the relevant ability.

- DACATARAI STANCE

Melee weapons equipped by models in this unit have the [SUSTAINED HITS 1] ability.

- RENDAX STANCE

Melee weapons equipped by models in this unit have the [LETHAL HITS] ability.
